Dear Sir/Madam,

APPEAL FOR FINANCIAL SUPPORT TO SAINT BEDE'S COLLEGE ASHING, CAMEROON

I am writing on behalf of Saint Bede's Ex-Student Association, America (SABESA) to solicit your financial support to raise funds for the construction of a fitness facility at Saint Bede's College, Ashing-Kom in Cameroon.

SABESA is a Public Charity (Charitable Organization) sanctioned under the United States Internal Revenue Code sections 501(c)(3) effective July 26, 2014. SABESA's credentials are detailed above. The purpose of SABESA is to improve the educational experience for students at St. Bede's College.

This year, our target is to assist the school to construct a multipurpose playground that supports basketball and volleyball. In collaboration with the school's administration, we have determined that the project is estimated to cost approximately ten thousands U.S. dollars (\$10,000).

We therefore appeal for your support to achieve this goal. We intend to acknowledge your contributions with a list of donors permanently placed at the site (unless when anonymity is requested).

Please select your choice of donation and include a check payable to "SABESA" or any other form of payment that you desire. You may also access our online payment option by visiting www.sabesans.org/pay-dues and click donate. Please select an option below by checking a box:
